

Limited Unfinished Engineered Flooring Warranty

Warranty Details:

This limited, lifetime structural warranty, is effective for all Mullican Flooring Unfinished Engineered Hardwood Flooring. Mullican Flooring warrants to the original purchaser that its flooring will remain free from defects in assembly, milling, lamination, dimension and grading for as long as the original purchaser owns the floor. This warranty only applies to unfinished engineered products and is effective with purchases made after October 1, 2017.

Material Warranty:

Mullican Flooring warrants that the products have been manufactured in compliance with the grading rules of Mullican Flooring, and will be free from manufacturing defects for as long as the original purchaser owns the floor. Manufacturing defects do not include natural wood characteristics such as mineral streaks, knots, grain variations, normal minor differences between color of samples and the color of installed floors, color variations from board to board, or minor width variation. Due to the nature of wide width plank (3" or wider), some minor width variation is to be expected and is not considered a defect.

Exclusions and Limitations:

These warranties do not cover stain or its application, finishing of the flooring, damage, indentations, scratches, or stains arising from negligence, accidents, abuse, fire or excessive heat, abnormal wear, construction, spike heels, grit, sand or other abrasives, dents, insect infestation after the product has left our factory, or domestic animals. Splits and cracks after move-in are not normally manufacturer related.

These warranties do not cover damage caused by use of the flooring for purposes other than those for which it was designed; damage caused by disasters such as fire, flood, wind, and lightning; damage during shipment; or any other abuse or misuse by the purchaser.

It is critical that all installations are done in compliance with the procedures outlined in the Mullican Flooring installation instructions, which can be found online at www.mullicanflooring.com. No damage or defects caused by improper installation or failure to provide a suitable installation environment are covered by this warranty. Failure to install your flooring in accordance with the instructions will void all warranties.

The sole obligation and liability of Mullican Flooring under our limited structural warranties is to repair, replace, or refinish the floor, at Mullican's option. Only Mullican Floors that were professionally installed will be eligible for labor cost reimbursement. If you installed the floor yourself, we will cover the cost of replacement materials only. (Any and all labor costs must be pre-approved by the Mullican Flooring Claims Department.)

The warranties EXCLUDE and will not pay consequential or incidental damages associated with any warranty claim. Mullican Flooring will not pay costs associated with relocation during the repair process such as hotel, meals, or moving and storage of furniture. This limitation does not apply to claims for personal injury. Some states do not allow limits on warranties, or any remedies for breach in certain transactions. In such states, the limits in this paragraph may not apply.

No warranty coverage is provided for flooring that contains obvious defects of any kind that were installed nonetheless. If, before installation, you discover any flooring that has obvious defects, please immediately contact the dealer from whom the flooring was purchased and replacement flooring will be provided at no cost.

The limited warranties do not cover color changes to any flooring which results from exposure to UV light. Normal exposure to sunlight will cause changes in the shading of any wood floor, and this is not considered a defect. Certain species including, but not limited to, American Cherry, Walnut, Brazilian Cherry, Tigerwood, and most Exotics, are especially susceptible to color change. Please contact your Mullican retailer for more information. Area rugs should be moved occasionally, as they block sunlight and may give the appearance of discoloration under the rug.

After your floor is installed, it is critical to maintain the temperature and humidity of the home as outlined by the National Wood Flooring Association Installation Guidelines and/or the Mullican Flooring Installation Instructions found at www.mullicanflooring.com. Failure to follow these guidelines, especially with regard to humidity range, can result in a performance failure or damage to your floor.

These warranties do not cover damage or unsatisfactory performance caused by excessive moisture or moisture vapor including, but not limited to, improper humidity inside the home, excessive ground moisture that migrates into the home for any reason, excessive sub-floor moisture, water leaks caused by broken pipes or appliances, improper cleaning methods such as wet mopping or automated cleaning machines, weather conditions or natural disasters such as flooding or excessive rainfall.

Since wood is a natural product, it will tend to expand and contract as moisture and humidity levels inside the home may change. Accordingly, normal expansion and contraction which results in minor separations between flooring boards are not covered by these warranties.

Any Mullican Flooring product which is designated as "cabin grade", "tavern grade", "second", or "as is" is not covered by the above warranties.
